**By Timothy Green Beckley (Editor/Publisher/Wish Maker)**

NOT THE FAKE NEWS!

God, you turn on the TV these days and you don't know what to believe. You go on Face Book and there are more political ravings than you might encounter from a crazed gaggle of Loons. You don't know which way right or left is any more, and everyone wants you to make a comment about what they've just heard on the "Fake News," and when you do everyone from the President on down wants to punch your lights out.

That's why we stick with the simpler secret schemes and plots here at the Conspiracy Journal. No matter who you voted for, we know that the aliens are out to get us and, hell, we've been writing about the world's cabals listening in to our conversations through our "smart" TV for years now (that's why they call it a "smart TV" of course). And frankly, if I were you I wouldn't be overly concerned about someone taking photographs through a portal in your microwave. Do what I did just recently – just move it up a couple more feet from where it rests now, so all those NWO snoopers can get a shot of your ceiling fan or the spider on the wall if they are bugging you with their best camera lenses.

After you've gone for the gusto and done all these things for security purposes, take a load off your paranoid feet, and settle down for some good reading. Thumb through the pages of this great issue of our fabulous newsletter, and keep us moving forward in our search for the truth, which is no easy

task at our age and after 50 years in the publishing business. I always say the next book will be our last, and while semi retired we can still turn out a decent tome on a regular basis.

Our new books this issue include some fabulous reads: ★ Amityville And Beyond: The Lore Of the Poltergeist And Other Paranormal Phenomena. ★ America's Top Secret Treaty With Alien Life Forms. ★ The Commander X Files Updated. ★ 100% Positive Spells And Incantations For "Aladdin's" Magick Lamp. ★ You Can Take It With You When You Go! ★ Book Of Common Prayer. ★ The Fantastic Universe Of Carol Ann Rodriguez. ★ Giants And The Lost Lands Of The Gods, and last but not least: ★ The Matrix Control System Of Philip K. Dick and The Strange Synchronicities Of Tim Beckley.

And don't tell us its hard to order. We accept all matter of payment through the mail, by credit card, and via PayPal. This is the real nitty gritty, the stuff you won't find in your local book store, though you can order from Amazon and most of our titles are available on Kindle. So get started reading, and hey don't forget to close that micro wave door on the way out!

Bible students have searched for those sacred words of scripture worthy of deep and scholarly study, but so "offensive" were they to the Church that they have been omitted from the Holy Bible because of their controversial content. These are the books written for future generations of man whom God created after making the heavens and the earth.

Learn of The Fall; The Law; The Priesthood of Melchizedek; Angelology; Demonology; Judgement; The Existence of the Watchers; Giants of the Earth; The Birth of Noah; The Reality of the "Ageless Ones"; The True Nature of Satan; Interpretation of Heavenly Signs and Symbols some refer to as UFOs, as well as "projections" in the sky from Godly Sources.

Go behind stained glass windows and probe the secrets of the "unorganized religion" of the Church. Includes (1) Lost Books Of The Bible; (2) Excluded Books Of The Bible; (3) Signs Of The Second Coming. **All three books just \$39.00 + \$6.00 S/H.**

5: And when I was asleep, great distress came up into my heart, and I was weeping with my eyes in sleep, and I could not understand what this distress was, or what would happen to me.

6: And there appeared to me two men, exceeding big, so that I never saw such on earth; their faces were shining like the sun, their eyes too were like a burning light, and from their lips was fire coming forth with clothing and singing of various kinds; in appearance purple their wings were brighter than gold, their hands whiter than snow.

7: They were standing at the head of my bed and began to call me by my name.

This is a dangerous book because it calls into question some of the root assumptions which we Westerners have held for centuries about the nature of human existence.

Calling these assumptions into question isn't dangerous in itself, but when many people do so, the underpinnings of any artificially erected social arrangement are seriously compromised. The way society is organized today those who presently benefit the most from the existing structures are those who are least likely to make the changes which need to be made. The ideas in this book are dangerous because they empower individuals to seek the truth for themselves.—\$26.00

## THE MATRIX CONTROL SYSTEM OF PHILIP K. DICK AND THE PARANORMAL SYNCHRONICITIES OF TIM BECKLEY

You Have Doubtlessly Seen The Movies Based Upon What We Have All Come to Believe Are Exceptionally Brilliant Science Fiction Novels Written By The Late Philip K. Dick  
**TOTAL RECALL—BLADE RUNNER—THE ADJUSTMENT BUREAU —MINORITY REPORT**

But what you probably didn't know is that their creator was living out some of the same incredibly bizarre scenarios that he wrote about. One can easily compare Philip to the character played by Arnold Schwarzenegger in "Total Recall," who found himself in a parallel universe on a faraway planet, despite the fact that he was only supposed to be hooked up in a laboratory to a machine that creates realistic yet imaginary, dream-like images. For some reason, those that have implanted this "false memory" in his head want him dead. Which reality is the character really living in?

At a sci-fi press conference held in France in 1977, Philip tried to explain some of his bewildering thoughts about the existence of a parallel or self-contained - Matrix-like - universe created by "someone" who has the ability to alter the course of our reality for us:

"People claim to remember past lives," Philip told the throng of reporters. "I claim to remember a different - very different - present life. I know of nobody who has ever made this claim before but I rather suspect that my experience is not unique. What perhaps is unique is my willingness to talk about it. We are living in a computer-programmed reality and the only clue we have to it is when some variable is changed and some alteration in our reality occurs . . . and because of this a variable WAS changed - reprogrammed as it were - and an alternative world branched off."

The well-known collector of scientific curiosities, Charles Fort, is often quoted as having said: "The Earth is a farm. We are someone else's property." He likened our condition to being movable pieces on a chess board.

"There is no doubt that we are under some sort of surveillance and that an 'invisible hand' has the ability to carve out our existence and 'interfere' in our daily lives by creating a variety of bizarre 'play scripts' that to some may seem like pure 'coincidences.'" Or so says pop culture paranormalist Tim Beckley, who notes that "Synchronicities are not just

random occurrences but are laid out before us by some sort of synchronicity command post, which ably demonstrates their mastery or control over us poor earthlings."

Drawing on the masterful mind of creative genius Philip K. Dick (some to this day perceive him to have been a total "mad man") we offer up dozens of his personal experiences, as well as those of others in the UFO and paranormal fields, where synchronicities seem to abound. Beckley and co-author Sean Casteel lay out a plausible scenario to "explain" the intricate workings of what has been dubbed "The Synchronicity Command Board," or "Earth Coincidence Control Office," as so aptly named by the brilliant American marine biologist and neurologist, Dr. John C. Lilly.

A titillating read that will challenge your concept of reality.

## AMITYVILLE AND BEYOND – The Lore Of The Poltergeist And Other Paranormal Phenomena

Authored by Tim Beckley, Sean Casteel, Shawn Robbins,  
Paul Eno, Brad Steiger, Tim Swartz, William Hall,  
Butch Witkowski, Michele Lowe, Joshua Warren,  
Maria D'Andrea, Carol Rodriguez

### OUR HIDDEN HISTORY—EXPLORE THE GREATEST MYSTERIES OF ALL TIME!

If you are a reader who has greatly enjoyed – or has been influenced by – the works of John Keel, Dr. Nandor Fodor, or Jacques Vallee you will find this work to be an outstanding breakthrough book. Likewise, if you are just looking for something to titillate your sense of fear, this is guaranteed to be a real page turner.

Six members of the Defeo family were murdered in cold blood in the middle of the night in their home in Amityville, Long Island. Demons were said to be responsible for the hideous slayings inside what was to become known as America's most possessed dwelling. Several best sellers and 20 movies were made.

#### ALL NEW FINDINGS

Poltergeists come in all shapes and sizes and inspire varying degrees of horror. What might be surprising is that poltergeists are NOT necessarily the spirits of the dead nor the overworked, disordered personalities of the living often thought to have become possessed by demonic forces. That which we call a "poltergeist" could just as easily include a wide range of other unearthly phenomena, such as random denizens of the dark moving through time and space and other dimensions, as well as a manifestation of cryptids, known collectively as shape shifters and "bed-room invaders," and possibly even representatives of numerous alien races.

Here are the most bizarre, the most terrifying, and the most perplexing cases of poltergeist activity that you are likely to encounter, as investigated by the top paranormal researchers of today without bias and without relying on pre-existing conclusions as to what might be causing such unpleasant transgressions. And please note that these bloodsucking parasites can attack not only the most innocent of souls or the average dwelling, but have also been known to follow hysterical individuals across the vastness of the country while maintaining a stranglehold that in some cases is almost impossible to break.

Large 8.5x11 Format. 206 Pages – Profusely Illustrated – Special \$20.00

COMMANDER X**

**WILL THE REAL COMMANDER X PLEASE STAND UP!**

**NEW! – COMMANDER X FILES UPDATED**

For more than a decade the mysterious Commander X has caused dissension among conspiracy theorists, Area 51 aficionados and UFO believers. Some accept his hair-raising accounts of working behind the scenes with the CIA, the NSA and other government and quasi-federal agencies at face value, while others scratch their heads in bewilderment and wonder if his first-hand chronicles cannot be linked to a disinformation program.

For the first time, here is the complete dossier on Commander X's many exploits both with various groups of highly aggressive ultra-terrestrials, as well as his battle with our own earthly authorities hell-bent on keeping these matters **TOP SECRET!** –

**Included among the many shocking – and surprising – revelations in this book:**

**\*\* The Alien Dinosaur Connection. – \*\* Who inhabits the Subterranean Regions of Earth? – \*\* Evidence suggests human victims were still alive, when their blood was drained and body parts removed in underground UFO bases. – \*\* The many special powers of ETs – including levitation, dematerialization, invisibility, mind control, advanced light beam technology. **\*\*A Nazi – Alien collaboration. How the Occult inner circle of the Third Reich contacted grey aliens before World War II using ritual magic. – \*\* Evidence Hitler shipped equipment and slave laborers to the Antarctic to construct a fleet of flying saucers. – \*\* Proof that the Nazis transferred into the midst of the American spy and space agencies.****

**AND MOST IMPORTANT OF ALL – ARE HUMAN CLONES GOING TO BE USED TO REPLACE ASSASSINATED POLITICIANS?**

**Only Commander X can dare answer these questions.**

**Order THE COMMANDER X FILES - Large Format. 200+ Pages – \$24.00.**

**NEW! – AMERICA'S TOP SECRET TREATY WITH ALIEN LIFE FORMS – PLUS THE HIDDEN HISTORY OF OUR TIME!**

Is The "Treaty" A "False Flag?" – Or Some CIA Sponsored "Smoke Screen?" They arrived without our knowledge or consent and told our military leaders they came in peace for the benefit of humankind, and would gladly start an exchange program with the people of the planet earth which could lead to a "Golden Age." We wholeheartedly believed them and agreed to the "Treaty" almost without any sort of protest. Then they began to abduct our women! Then they returned for our children! Soon after they began to rape the earth's resources! And it became apparent they ultimately wanted to control our minds and capture our souls for their selfish reasons, some too horrific to comprehend.

And because they are too embarrassed to admit they went along with this Treaty, the U.S. government and the military industrial complex refuse to let the public know what has been going on for nearly half a century, keeping a tight lid on this Treaty and its various "exchange programs." But now there might be a ray of hope thanks to the whistle blower known as Commander X. This is your opportunity to find out about the "Treaty," and protect yourself and your loved ones from a possible "enemy attack" that could come out of the sky, as predicted by Nostradamus, as detailed in the Book of Revelations.

# TRAVEL BACK INTO THE REMOTE PAST WITH PETER KOLOSIMO AND NICK REDFERN

## GIANTS AND THE LOST LANDS OF THE GODS

### A TIMELESS EARTH – GIANTS, MONSTERS AND ALIENS IN HISTORY

“Creatures from outer space have not only walked among us, they have shaped the path of our history,” states Peter Kolosimo an award winning Italian author who proceeded “Chariots of the Gods?” author Erich von Daniken in popularizing by several years what has become known as the “Ancient Alien Theory” of human evolution and contact with extraterrestrial beings.

Here is a new, updated version of “Timeless Earth” – considered to be one of the most remarkable books you will ever read on Ancient Astronauts and how they assisted in the development of civilization throughout the world. Kolosimo founded and coordinated the Italian Association for Prehistoric Studies. His studies were considered so important that they were published in over 50 countries including Russia and China, which were still blocked off from Western society at the time of the book’s initial public exposure.

### PARTIAL CONTENTS OF A BOOK THAT SHOULD SHOCK THE WORLD

**USE FOR MORE THAN "GAMES OF CHANCE!"**

Most people playing Poker or 21 today think of an ordinary deck of 52 playing cards as consisting of thirteen ranks of each of the four suits: Clubs, Diamonds, Hearts and Spades, with a joker. Chances are they don't realize that the cards they are playing with have great magical significance and can be used to see into the future and to cast powerful spells

This book describes how the careful laying out of ordinary cards, when combined with the use of candles, incense and the recitation of "supernatural words," can make "supernatural beings" do your bidding. You will be in total control of your own future upon shuffling the next deck!

## COMING OF THE SPACE GUARDIANS

**UFO RESCUE SQUAD, MILLIONS TO BE SAVED—ARE A GROUP OF EXTRATERRESTRIALS KNOWN AS "THE GUARDIANS" HERE TO SAVE HUMANKIND IN THE EVENT OF A GLOBAL DISASTER?** — There is no doubt that "THEY" have influenced the human race since our earliest beginnings. Some say they have manipulated our bodies, minds, souls. There is a widespread belief that they are our mortal enemies, while others contend they are here to assist in our SALVATION! — So says Commander X, a former military intelligence

operative. Recently, the Russian news media ran a story about a large meteorite that hurtled its way over that nation, but before it could do severe damage — and cause possible loss of life — it was hit by a UFO, causing it to explode and shatter over the Urals. The Siberian Times headline shouted: "WE WERE SAVED BY A UFO!" Are The Guardians warning us that Earth is possibly on a collision course with the mysterious sphere known as Planet X? Or perhaps a massive meteor bombardment? An asteroid strike? Or even a nuclear attack? Any of these events could spell widespread disaster. This book gives you all the FACTS and tells you how to survive these dramatically CHANGING TIMES!

## UMMO AND THE EXTRATERRESTRIAL PAPERS

**THE ALIENS ARE AMONG US! THEY WISH TO COMMUNICATE! AND HAVE EVEN CONSTRUCTED CITIES IN REMOTE PLACES WHILE THEY ARE HERE!** The story of UMMO starts with a series of letters and phone calls to various Spanish UFO researchers in 1965 that purportedly came from an extraterrestrial race. While the most commonly reported method of ET contact is clearly by telepathy, the aliens in this case tried a more direct, decidedly earthly method of communication. The letters contained highly detailed discourses on such weighty topics as physics and medicine that could only have been written by experts on the cutting edge in those rarified fields that are light years beyond what a lay hoaxer could have come up with. One of the letters also predicted that a UFO sighting would occur on a certain day at a certain location in Spain, and the ship did indeed appear on schedule and at the appointed place. Photos of their ships and unique symbol have been taken as added verification. A similar account has popped up in Canada and is included. This book is over 250 large size pages and contains never before revealed info on this fascinating episode.
